

# Back Stabbers (Carlito's Way)

## The O'Jays

(What they do)  
(They smile in your face)  
All the time they want to take your place  
The back stabbers (back stabbers)  
(They smile in your face)  
All the time they want to take your place  
The back stabbers (back stabbers) All you fellows who have someone  
And you really care, yeah, yeah  
Then it's all of you fellows  
Who better beware, yeah yeah  
Somebody's out to get your lady  
A few of your buddies they sure look shady  
Blades are long, clenched tight in their fist  
Aimin' straight at your back  
And I don't think they'll miss (What they do)  
(They smile in your face)  
All the time they want to take your place  
The back stabbers (back stabbers)  
I keep gettin' all these visits  
From my friends, yeah, what they doin' to me  
They come to my house  
Again and again and again and again, yeah  
So are they there to see my woman  
I don't even be home but they just keep on comin'  
What can I do to get on the right track  
I wish they'd take some of these knives off my back (What they do)  
(They smile in your face)  
All the time they want to take your place  
The back stabbers  
(Back stabbers)  
Low down, dirty
