

Kilo

Ghostface Killah

yo
yo O, yo Rae
I can't feel my face
My heart pounding and shit
Paranoid as a motherfucker right now
Who the fuck-- close them blinds and shit
who dat?
Captain Kirk?
Stark Enterprise, Enterprise shit outside or some shit?
I need some pussy, man, I'm ready to fuck Cat Woman or something
Fuck it, fuck it, let's go. ALL AROUND THE WORLD TODAY THE KILO IS THE MEASURE
Whoever got the kilos got the candy man
A KILO IS A THOUSAND GRAMS, ITS EASY TO REMEMBER
You never catch the kid going hand to hand
ALL AROUND THE WORLD TODAY THE KILO IS THE MEASURE
Once you got the funds you got them panties man
A KILO IS A THOUSAND GRAMS, ITS EASY TO REMEMBER
Throughout I-95 I'm the handyman Bricks, tall caps, powder,
Cooked-up crack,
Phones is tapped
Over Franklin stacks
Kingpins put in bullpens
Old connects get paro-
Break outta town when the jakes take down the pharoah
We's there, we was moving that Peruvian white
Blowing coolies in the hoopties, slamming cuties at nights
Big heavy pots over hot stoves,
Mayonnaise jars and water
With rocks in 'em
Got my whole project outta order
A KILO IS A THOUSAND GRAMS
Beige, gold, brown, dirty fluffy tan, extract oil puff in Cuban plants
The chemists is probably Pyrex scholars,
Professors at war, over raw
Kill they partners for a million dollars Peace to those cooking that raw, powder white
Get your sniff on, Scarface niggas, we getting right
Some call it bricks some call it birds
How many niggas get they lives taken
Playing with shit, then catch a curve

You could go to jail
 Get caught with this
 Niggas'll grow to ?fail?
 Stop playing, pot laying, baking soda and scales
 They live like brothers
 Word life, connect discover
 Most niggas get hard
 From fucking with them pipes; and hustlers:
 A KILO IS A THOUSAND GRAMS
 You know your ammo better be heavy
 Cuz soon kids is coming in camo
 Protect your land, daddy
 I'm a announcer
 You get caught with a ounce or so
 Matter fact, they taking you down, son
 Some say a drug dealer's destiny is reaching a ki;
 I'd rather be the man behind the door supplying the streets
 A hundred birds go out, looking like textbooks
 When they wrapped and stuffed
 Four days later, staight cash: two million bucks.
 Strictly powder, no cut
 Your coke is flyest, what's up
 Y'all beefing over little shit,
 We sniff the balance quick up
 In a plane or a penthouse
 Office or a warehouse
 Tony got nice we never hurt off any big droughts
 A KILO IS A THOUSAND GRAMS
 A pile of sand
 Is equivalent
 To the eye
 It's nice to have a thousand fans.
 Coke buyers: some be liars
 Therefore you check for wires
 Dedicated dealers
 During holidays we give 'em lighters
 Red tops, Blue tops, Green tops, Yellow tops, Purple tops, Beigh tops,
 White tops, Gray tops, Black tops, Clear tops, Gold tops, Pink tops, Silver tops, Tan tops, Aqua tops, Orange
 tops, Tall tops, Medium tops, Short tops, 12-12's, 58-58's
 Weed bag, ziplock, big rocks, coke spots,
 Two Glocks, one Ox, crumbs chopped, hot-pots.
 One blade, crack spot.
