New Millennium

Dream Theater

A single star behind me
A red sky burns aheads
A lonely light below me
Awake among the deadAn overwhelming feeling
Leaves me numb and strange
A sense of new beginning
I sense a wind of changeOut with the old useless
People so cold ruthless
Welcome in a new millennium
How many times must I
Live out this nightmare I
Can't wait until a new millenniumI've got this feeling
The tide is turning now baby
Funny feeling
Everything's gonna be alright nowLiving out a constant deja vu
Keep your head up
Please be patient we will get to you
Keep your head upJust have some faith and you can see it through
Keep your head up
But faith don't pay the rent that's overdue
Keep your head upAll that's glittering is turning blue
Keep your head up
What they want from me ain't gotta clue
Keep your head upSwallow pride before it swallows you
Keep your head up
Don't dare bite the hand that's starving you
Keep your head upHow can you keep your head
And not go insane?
The only light at the end
Of the tunnel is another trainLies ten feet tall
Broken my fall
Welcome you all new millennium
It's well overdue
And I can't wait to
Welcome in a new millenniumI've got this feeling
The tide is turning now baby
Funny feeling
Everything's gonna be alright nowI've got this feeling
The tide is turning now to cure

Funny feeling
Everything's gonna be alright nowI've got this feeling
The tide is turning now baby
Funny feeling
Everything's gonna be alright now
