

Mona June (feat. Angela Hunte)

Slightly Stoopid

I tried 2 weeks without you
I missed your smell in the air
I saw your face in a daydream
But lost you in a nightmare
You're so dangerous
She only wants when there's two of us
And I ain't sharing her with no one else
A could hate you but don't want to Money in my pocket but it can't buy me love
Eyes so green like she come from above
Mona June, without you
I would have never seen the world like I do (2x) I was a little bit lost before
Before I looked into your eyes
You see in life there's different stories
Or different ways for you to hide
She keeps a smile upon my face
Knowing your love is always there
She only wants me when there's two of us
And I ain't holding out to share Money in my pocket but it can't buy me love
Eyes so green like she come from above
Mona June, without you
I would have never seen the world like I do (2x)
