Back To The Wall

Divinyls

We're living in desperate times
These are desperate times my dear
There's no way out of here
There's no way out my dearI've been holding back all my tears
Just so the pressure don't show
Like a time bomb ticking away
I might blow up some dayDon't push, don't shove
You better watch what you doWhen my back's to the wall
I might do anything at all
When my back's to the wall
I might take any chance at all
When my back's to the wall
I might do anythingYou've got the upper hand
Well I've got nothing to lose
When I'm trapped in a corner like this
I might light the fuseThere's no way out of here
There's no way out my dear
Don't push me too far
You better watch what you doWhen my back's to the wall
I might do anything at all
When my back's to the wall
I might take any chance at all
When my back's to the wall
I might do anything at all
When my back's to the wall
I might do anything, anythingDon't push me too far
You better run for your lifeWhen my back's to the wall
I might do anything at all
When my back's to the wall
I might take any chance at all
When my back's to the wall
I might do anything at all
When my back's to the wall
I might do anything at allI've got nothing to lose, I might light a fuse
I've got nothing to lose, I might light a fuse
Yeah, yeah, yeah, yeah, yeah, yeah
Look out, look out
Don't come any closer
Look out, oh

Yeah, yeah, oh, oh, oh, oh, oh, oh
Don't come any closer
