Take My Scars

Machine Head

It's been around for a thousand years
And it'll be here for plenty more
It is the face hidden in disgrace
That has become now an open soreIt is a false messiah
It is the face of pain
The bringer of the bittersweet
The heretic insaneTake my scars
Through hands of God
I found a better way
To break the wallsFed all the lies and desensitized
Taught to believe that it is the way
Taught to divide and exactly why
You'll never understand my rageYou've never had to borrow
You've never had to steal
You eat it with your silver spoon
For me it's realTake my scars
Through hands of God
I found a better way
To break the wallsBlood and concrete
Piss and wine
Whores that fuck
To feel divineThey'll clean their needles
In their shrine
In ignorance
It's bliss you findWhy can't you
Fuckin' open
Open up your eyes
