

# She Doesn't Know How

## That Dog

She doesn't know how to give herself a chance  
She doesn't know how to go home alone  
She doesn't know how to go to sleep at night  
She doesn't know how, she doesn't know how She's getting sick and tired of feeling the same old things  
She's getting sick and tired of not giving up  
But in her own way, she is letting go  
She doesn't know how, she doesn't know how She doesn't know how  
She doesn't know how  
She doesn't know how  
She doesn't know how
