

Dance Anthem of the 80's (Live In London)

[Regina Spektor](#)

You are so sweet
Dancing to the beat There's a meat market down the street
The boys and the girls watch each other eat You are so sweet, so sweet
Dancing and moving to that beat, that beat There's a meat market down the street
The boys and girls watch each other eat
The boys and the girls watch each other eat
When they really just wanna watch each other Sleep
They want to watch, to watch each other sleep, sleep, sleep
Sleep
They want to watch, to watch each other sleep, sleep, sleep You are so sweet
Once more
You are so sweet
Solo I'm walking through the city like a drunk but not
With my slip showing a little like a drunk but not
And I am one of your people but the cars don't stop
And I am one of your people but the cars don't stop It's been a long time since before I've been touched
Now I'm getting touched all the time
And it's only a matter of whom
And it's only a matter of when An addiction, two hands and feet
There's a meat market down the street
The boys and girls watch each other eat
When they really just wanna watch each other sleep An addiction, two hands and feet
There's a meat market down the street
The boys and girls watch each other eat
When they really just wanna watch each other Sleep
They want to watch, to watch each other sleep, sleep, sleep
Sleep
They want to watch, to watch each other sleep, sleep, sleep
They want to watch, to watch each other sleep, sleep, sleep
They want to watch, to watch each other sleep, sleep, sleep
