You Will Return (feat. Alice Russell)

Quantic

I walk the hills I tread the path,
Down to the river I will pass,
And the sky is setting mood,
Casting light silver blue.Take my hand,
Take my hand.
All the things we've come to love,
(Weather made me understand)
All the things we've come to love,
(In the memory of your name)
All the truth we've come to know
Goes back in thru the ground.You will return,
You will return.
And what has come will be again.
X2So tell me did you love?
And tell me did you learn?
All the truth we know goes back in thru the ground.You will return,
You will return.
And what has come will be again.
X2You will return,
You will return.
And what has come will be again.
X2
