

Somebody's Gonna Get Their Head Kicked In Tonight

The Rezillos

Well, now the club's a-rockin' and everyone's feelin' alright (alright)
Said on a Wednesday evening, there's sure gonna be a fight (be a fight)
I say somebody's gonna get their head kicked in tonight

Well, now the band is groovin' and everyone's shoutin' for more (more)
I say there's gonna be a pool of blood on the dance hall floor (on the floor)
I say somebody's gonna get their head kicked in tonight (ha-ha-ha-ha)

We're gonna rip up the chairs (tear down the walls)
Mess up the place (and really have a ball)
All of us boys gonna beat off all this stress
And the whole dance floor will be a doggone mess

Well, the club's a-rockin' and everyone's feelin' alright (alright)
Said on a Wednesday evening, there's sure gonna be a fight (be a fight)
I say somebody's gonna get their head kicked in tonight

Put a boot in

We're gonna rip up the chairs (tear down the walls)
Smash up the place (really have a ball)
All of us boys gonna beat off all this stress
And the whole dance floor will be a doggone mess

Well, now the club's a-rockin' and everyone's feelin' alright (alright)
Said on a Wednesday evening, there's sure gonna be a fight (be a fight)
I say somebody's gonna get their head
Somebody's gonna get their head (hey, hey, hey)
Somebody's gonna get their head kicked in tonight
