# Jumbo Shrimp

## Cheers Elephant

â€œthe green gray water river rocksâ€•
â€œthe green gray water river rocksâ€•
Sit down paint me a picture of the blues.
There ainâ€™t no color you could use.
A particular taste upon the tongue,
As you welcome CO2 to your lungs

Heidegger and Husserl made a fuss so youâ€™ll
Understand this was a song before it was
The most peculiar instills fear in you
You ainâ€™t worth anything but your god.

Jumbo shrimp yeah
Jumbo shrimp yeah

Havana Cuba

Jumbo shrimp yeah
Jumbo shrimp yeah
