

# In Neon

Elton John

Lipstick and lashes, the traces of stardom  
Lit up on a billboard, so everyone sees them in Neon  
Behind the counter she stares out the window  
Up at the billboard that's like a reminder in Neon  
She hates how she feels but she hangs like a mirror  
Maybe a stranger could walk in and see her in Neon  
For two cents of danger she'd trust anybody  
She'd smoke like a gun, if it meant she might wind up  
In Neon the dreams in the light of a promise that dies  
A shimmering city, a glimmer of hope and a lie  
In Neon the name's gone, there's no reason why anymore  
Trust them and wind up alone behind a locked door, in Neon  
In Neon Pictures and patterns, the touches of  
glamor  
Cut into a fashion that flashes above them in Neon  
A hot cup of coffee held in her fingers  
A perfect complexion that lingers above her in Neon  
She hates how she feels but she hangs like a mirror  
Maybe a stranger could walk in and see her in Neon  
For a shot at the title, she'd slip into something  
She'd smolder like ashes, if it meant she might wind up  
In Neon the dreams in the light of a promise that dies  
A shimmering city, a glimmer of hope and a lie  
In Neon the name's gone, there's no reason why anymore  
Trust them and wind up alone behind a locked door, in Neon  
In Neon the dreams in the light of a promise that  
dies  
A shimmering city, a glimmer of hope and a lie, in Neon
