

Out of Reach

When Karma Was King

I hear your voice beside me
Scared to admit what that might mean
We got lost in between
But I still hear your voice beside me

Chorus:

And it calls to me
From a place Iâ€™ll never be
And itâ€™s always in my sleep
Just out of reach

The leaves they start to change
Maybe I will someday
September scenes remind me
The season ended fast and so did we
