

Hip Hop Harry Good Bye

Hip Hop Harry

Hey everybody, it's the end of the show,
I'm Hip-Hop Harry, and it's time to go!
Now when you've learned something new, and met a new friend,
Now even though I'm going, You'll see me again!

When I say good, you say bye!

Good-bye(repeat 2x)

When I say good, you say bye!

Good
