Glory to the Brave

HammerFall

Snow is falling down on this glorious land
Colors fading, turning into white again
To fallen heroes, angels sing, they cry their winter tears
Endless mourning days will turn to yearsSo this is goodbye
I take leave of you and spread your wings
And you will fly away now, fly away nowNothing on this earth stays forever
But none of your deeds were in vain
Deep in our hearts you will live again
You're gone to the home of the braveEvery solemn moment I will treasure inside
Even though it's hard to understand
That a silent wind can blow the candle out
Taking everything, leaving the pain far behindYou call out my name
But your voice is fading into the wind
Embraced you'll fly away now, fly away nowNothing on earth stays forever
But none of your deeds were in vain
Deep in our hearts you will live again
You're gone to the home of the braveNothing on earth stays forever
But none of your deeds were in vain
Deep in our hearts, you will live again
You're gone to the home of the brave, yeah yeaMy eyes are closed I feel you're far away
Far beyond that shining star
I know you'll find what you've been fighting for
Far beyond that shining starDown on bended knee I pray, "Bring courage to these souls
Make 'em live forever in the heart of the bold"
So I say "Farewell my friends I hope we'll meet again
When my time has come to fall from grace"So this is goodbye
I take leave of you and spread your wings
And you will fly away now, fly away nowNothing on earth stays forever
But none of your deeds were in vain
Deep in our hearts you will live again
You're gone to the home of the braveNothing on earth stays forever
But none of your deeds were in vain
Deep in our hearts you will live again
You're gone to the home of the braveNothing on earth stays forever
But none of your deeds were in vain
Deep in our hearts you will live again
You're gone to the home of the braveNothing on earth stays forever
But none of your deeds were in vain
Deep in our hearts you will live again

You're gone to the home of the braveNothing on earth stays forever
But none of your deeds were in vain
Deep in our hearts you will live again
You're gone to the home of the braveNothing on earth stays forever
But none of your deeds were in vain
Deep in our hearts you will live again
You're gone to the home of the braveNothing on earth stays forever
But none of your deeds were in vain
Deep in our hearts you will live again
You're gone to the home of the brave, yeahNothing on earth stays forever
But none of your deeds were in vain
Deep in our hearts you will live again
You're gone to the home of the brave
