

That Woman's Gonna Break Your Heart

[Thin Lizzy](#)

Lonesome gambler, that woman will lead to heartbreaks
Take the word of one who played and lost in love
I played it cool, I dealt the heartaches
I broke rules but that woman, she cut me up That womans gonna break your heart
That womans gonna tear your soul apart
That womans gonna wreck your head
That womans gonna leave you sad, so sad If your life depends on what you are losing
Youre still refusing to believe in fate or chance
You dont know now but its the wrong card youre using
That deck youre using is stacked against romance That womans gonna break your heart
That womans gonna tear your soul apart
That womans gonna wreck your head
That womans gonna leave you sad, so sad
