New Beat (Star Slinger Dancehall Mix)

Toro y Moi

Don't keep it all in your head
What we had was off
It's best that we forget
And overlook it allBut even now
When they fall into place
I think about you thenI know I'd forget
If I was alone
Make sure I can mix
Love and hold onNow I'm surrounded
By my old things
Thought I had moved onTried to make ends meet
But picked up a new beat
And so I lay outBut even now
When they fall into place
I think about 'em thenI know I'd forget
If I was alone
Make sure I can mix
Love and hold onMake sure I can mix
Love and hold on
Make sure I can mix
Love and hold onDon't forget
Don't forget
Don't forgetDon't forget
Don't forget
Don't forgetDon't forget
Don't forget
Don't forget
