

My Mind's Eye

Small Faces

I sit here every day looking at the sky
Ever wondering why I dream my dreams away
And I'm living for today in my mind's eye Things are clearer than before.
Showing me the way, asking me to stay.
I'll never close the door
to all these things and more.
In my mind's eye Everybody I know says I've changed, yeah.
Laughing behind their hands,
I think they're strange. People running everywhere,
running through my life.
I couldn't give a care,
because they'll never see
all that I can see with my mind's eye.
