Crazy Face

Van Morrison

All the people were waiting for crazy face
He said he'd meet them at his favorite place
Dressed in black stain, white linen and lace
With his head held high and a smile on his faceHe said
Ladies and gentlemen, the prince is late
As he stood outside the church-yard gate
And polished up on his thirty eighty and said
I got it from Jesse JamesAll the people were waiting for crazy Face
He said he'd meet them at his favorite place
Dresses in black stain, white linen and lace
With his head held high and a smile on his faceAnd he said
Ladies and gentlemen, the prince is late
As he stood outside the church-yard gate
And polished up on his thirty eighty and said
I got it from Jesse James
