## Imperiet

He once shot a man just for snorin'  
Got outta bed and shot him dead  
Well his name was, I didnt know what his name was  
So we just called him Fred  
He was ridin cross the desert on a horse to another town  
Lookin for a woman in a night gown  
The horses name was, I didnt know what his name was  
So we just called him FredOh now  
Fred's ridin  
Fred's ridin  
Fred  
Fred's ridin Fred  
Fred's ridin Fred  
Fred's ridin FredWell he got to a town  
met a woman in a night gown  
And she was wearin a frown(hell it rymed)  
Well her name was, I didnt know what her name was  
So we just called her Fred,oh now  
Fred's ridin  
Fred's ridin Fred,  
Fred's ridin Fred  
Fred's ridin Fred
