

# Stranger

## MOTHXR

I'm not a stranger it's just a strange land  
It's getting louder, I leave when I can  
    Danger here is so quiet  
    Water here is the fire  
    Stranger is the fire  
Water in the nightIt's in me / it's in you too  
    Only she can know me  
    But we haven't met before  
    I'm feeling (feeling)  
    She think she know me  
I don't give a fuck at allI let them all in, they all want to stay  
    I'll tear it all down if that's what it takes  
    The danger here is I'm higher  
    Falling further to find it  
    Stranger in the fire  
Lay with me tonight(Alt last lines of 2nd chorus:)  
    She think she know me  
    I don't think she know at all
