

Nothing's Gonna Stop Me Now

Olivia Holt

Hey, look out world cause here I come
I'm burning brighter than the sun
You put up walls, but I can break 'em, break 'em Fear, is not a roadblock in my way
I don't care what the haters say
They don't scare me, I'm not shaken, shaken And if you think I'm gonna quit
Go and cross it off your list I just wanna scream out loud
Nothing's gonna stop me now
I'm never coming off this cloud
So move over, move over, move over You don't wanna mess with me (mess with me)
I know who I'm meant to be (meant to be)
Never gonna slow me down Nothing's gonna stop me
Nothing's gonna stop me
Now ah ah owow owow ah ah owow ow Nothing's gonna stop me
Now ah ah owow owow ah ah owow ow
Nothing's gonna stop me now I'm moving faster than you think
You might miss me if you blink
Everyday I'm getting stronger, stronger But I was born to break the rules
So that's just what I'm gonna do I just wanna scream out loud
Nothing's stop me now
I'm never coming off this cloud
So move over, move over, move over You don't wanna mess with me
I know who I'm meant to be
Never gonna slow me down Nothing's gonna stop me
Nothing's gonna stop me
Now And if you think I'm gonna quit
Just go and cross it off your list Hey, look out world cause here I come
I'm burning brighter than the sun I just wanna scream out loud (out loud)
Nothing's stop me now (nothing's gonna stop me now)
I'm never coming off this cloud (no, no, no, no)
So move over, move over, move over (just move over)
You don't wanna mess with me (don't wanna mess with me)
I know who I'm meant to be (oh)
Never gonna slow me down Nothing's gonna stop me,
Nothing's gonna stop me
Now ah ah owow owow ah ah owow owow ow Nothing's gonna stop me
Now ah ah owow owow ah ah owow owow ow Nothing's gonna stop me
Now ah ah owow ah ah owow owow ow Nothing's gonna stop me
Now ah ah owow owow ah ah owow owow ow Nothing's gonna stop me now
