## Sepultura

One two  
One two three fourTotal eclipse hides the earth  
The night of doom has come  
Antichrist soldiers are proclaimed  
Send souls to HellCatastrophe destruction  
Mankind without mercy  
Suphul clouds are in the air  
Legions winds corrore the universeThe Messiah, redeemers of mankind  
Chained in the valley of hades  
Crowds blinded by evil  
Only death is real
