

# Amazing

Andy HunterÂ°

You take me high above the world I see  
Way beyond the clouds, beautiful colors surround me  
You show me dreams I never dreamt before  
Unspeakable feelings evermore

You take me high above the world I see  
Way beyond the clouds, beautiful colors surround me  
You show me dreams I never dreamt before  
Unspeakable feelings evermore

Fly with me across the heavens  
Feel the breeze above the skies  
Come with me across the heavens  
Spirit breathe

Every time I look into Your eyes  
Revelation eyes, heavenly visions, paradise  
I feel a love I've never felt before  
Touch my emotions evermore

Fly with me across the heavens  
Feel the breeze above the skies  
Come with me across the heavens  
Spirit breathe

You're so amazing  
You're so amazing

You take me high  
Above the world I see  
Way beyond the clouds  
Beautiful colors surround me

I fly high  
Feel the breeze  
Come with me

Fly with me across the heavens  
Feel the breeze above the skies  
Come with me across the heavens

Spirit breathe

You're so amazing  
You're so amazing  
You're so amazing  
You're so amazing

Fly high with me
