Can You Feel What I'm Saying?

Minnie Riperton

First we learn how to care
Magical dreams, midnight summer air
Wouldn't it be nice to find that some warm to share
What I care, maybe someone to love for a lifetimeOoh, I have love supreme
Mystical movements making me flow free
Slippin' in between the stars we find that shine all the timeNow they're yours, now they're mine
Now there's someone to love for a life time
Ooh, can you feel what I'm saying?
Touching you, touching, touching me
Can you feel what I'm saying?
Touching you, touching, touching meFirst we learn how to care
Magical dreams, midnight summer air
Wouldn't it be nice to find that some warm to share
What I care, maybe someone to love for a lifetimeOoh, I have love supreme
Mystical movements making me flow free
Slippin' in between the stars we find that shine all the timeNow they're yours, now they're mine
Now there's someone to love for a life time
Ooh, can you feel what I'm saying?
Touching you, touching, touching me
Can you feel what I'm saying?
Touching you, touching, touching meCan you feel what I'm saying?
Touching you, touching you, touching you
Touching you, touching me
Can you feel what I'm saying?
Touching you, touching, touching meBaby can't you feel what I'm saying?
Baby can't you feel what I'm saying?
Baby can't you feel what I'm saying?
