

You Fucked Up

X-Cops

You fucked up you went over the line
You fucked up you didn't pay your fine
You fucked up in the third degree
You fucked up when you fucked with me You fucked up (You're going down)
You fucked up You fucked up when you fucked with a cop
You fucked up when you failed to stop
You fucked up you should have stayed at home
You fucked up now I'm crackin' your dome[ad lib] You fucked up when you fucked with the law
You fucked up when you narked on your Ma
We slapped her around and she ratted on Pa
You fucked up now we got you by the balls You fucked up you fucked with the Cops
You fucked up you fucked with the Cops
You fucked up you fucked with the Cops You fucked up, You fucked up, You fucked up ...
