

Carrie Lee

Oh Susanna

Carrie Lee, Carrie Lee
Are you gonna dance with me?
Carrie Lee, Carrie Lee
Are you gonna dance with me? In the hills of California
Where your father built his home
You were left without a mother
And he raised you on his own Carrie Lee, Carrie Lee
Are you gonna dance with me?
Carrie Lee, Carrie Lee
Are you gonna dance with me? Though your daddy tried to warn you
Babygirl, you're still a child
Now that's forty years behind you
And we still stand side by side Carrie Lee, Carrie Lee
Are you gonna dance with me?
Carrie Lee, Carrie Lee
Are you gonna dance with me? As a young girl you were beautiful
With your hair of red and gold
But your beauty comes from within you
Growing stronger as you grow old Carrie Lee, Carrie Lee
Are you gonna dance with me?
Carrie Lee, Carrie Lee
Are you gonna dance with me?
