

The Wonderful in You (Live in Glasgow)

Caro Emerald

Then I don't know why they call you
A dane when you look in the mirror
Is it take? He didn't make a difference
You're away, to him you are untamed
Your reflection is a ruse
The cover I can't do
Your heart refuses to tell you the truth Why? It's why you do it
I can't believe that someone like you
Surrenders every element of you
And you abuse it
So someone you love, you really love
May never seen the wonderful in you Games, you never seem too tired
Oh his games
The make-up starts to drift, this is insane
Another masquerade, where is the shame?
Please forget his name
Hands are tickin' on the clock
Too tired for a walk
Your heart is desperately trying to find you Why, it's why you do it
I can't believe that someone like you
Surrenders every element of you
And you abuse it
So someone you love, you really love
May never seen the wonderful in you I'm chasing rainbows
It's just thunder that's leaving dark behind Why, it's why you do it
I can't believe that someone like you
Surrenders every element of you
And you abuse it
So someone you love, you really love
May never seen the wonderful in you
