Pretty Young Thing

Tina Cousins

Yeah
Yo
Check it out
(Yeah yeah yeah)
It's B2K
What?
Platinum status
She's a pretty young thing
A pretty young thing
What?
She put it down
She put the thang on me
(Yeah)
Without a doubt I know that she's wifey
(What?)
Workin' it out, makin' me feel freaky
But I don't mind, she's all I need
Makin' the moves, keepin' the brother thinkin'
(Yeah)
I do the same, keepin' her fiendin'
You know my name, ain't no replacing me
(No)
'Cause I'm a man and I'm all she needs
(Ahh, where you go?)
Pretty young thing you give me lovin'
(Ahh, you give me)
While 'em other girls out there buggin'
(Ahh, yeah, you buggin')
You keep it comin' pretty young thing
(Come on, ahh, yeah)
So understanding
(You understand)
You never need another man and
(Oh yeah)
For you my life I'm plannin'
'Cause through the rain
(No)
(Yeah, yeah)
Still my pretty young thing

(Go on)
She put it down
She put the thang on me
(Yeah)
Without a doubt I know that she's wifey
(Oh, what?)
Workin' it out, makin' me feel freaky
(What?)
But I don't mind, she's all I need
(Come on)
Makin' the moves, keepin' the brother thinkin'
I do the same, keepin' her fiendin'
You know my name, ain't no replacing me
'Cause I'm a man and I'm all she needs
Pretty young thing you give me lovin'
(Give me)
While 'em other girls out there buggin'
(Ahh, yeah)
You keep it comin' pretty young thing
(Keep it comin', ahh ahh)
So understanding
(Yeah, ahh)
(You understand)
You never need another man and
(Yo)
(Never need)
For you my life I'm plannin'
'Cause through the rain
(If I see ya)
Still my pretty young thing
I love girls screamin' my name while I'm spittin' this game
(Ahh, come on)
It's hard to maintain doin' a hundred in the slow lane
(Yeah)
Seein' chicks go insane in the membrane
(Get me, ahh)
But through all of this ma you never changed
(What?)
Still act vain, still the same plain Jane
(Yeah)
(What?)
Never think I'm cheatin' when phone is outta range
(Range)
These other girls is lame, they not on the same page
(Oww what?, ahh)

Don't believe your friends, you still my pretty young thing
(No, yeah)
Ooh baby, you give me lovin'
(Aah, you give me)
While 'em other girls out there buggin'
(Ahh, buggin')
You keep it comin' pretty young thing
(Keep it comin')
(Keep it comin', keep it comin')
So understanding
(Oh yes, I am)
(You understand)
You never need another man and
(Yeah)
(No)
For you my life I'm plannin'
'Cause through the rain
Still my pretty young thing
Pretty young thing you give me lovin'
While 'em other girls out there buggin', uhh
(You want it, yeah)
You keep it comin' pretty young thing
So understanding
You never need another man and
For you my life I'm plannin'
'Cause through the rain
Still my pretty young thing
(Pretty young thing)
You know how we do
(Oh yeah)
It's album number two
Uhh,Pandemonium

(We focused man)

All positive energy
