Like A Flower

Die Happy

I.
this is my world
I am the queen
I'm doing what I want
can be really meanI could grow strong
and have sharp thorns
go painfully through your skin
anytime I wantbut when I'm small
you break my neck
I can't defend myself
close my eyes insteadRef:
I AM A FLOWER
IN THE SUN - IN BLOOM
I AM A FLOWER
I GROW FOR YOUII.
I can make you burn
I can make you freeze
for every enemy
I have a special diseasebut when I'm small
my life is in your hands
I can't defend myself
against your violenceIII.
so here I am
look into my eyes
do not forget my name
I don't say it twiceI want your care
your total love
don't wait too long, my dear
I could get rough, take careI want it nowFlower, flower, without your water I will die, won't you care for me
