

Deuces Are Wild

Aerosmith

I love to look into your big brown eyes
They talk to me and seem to hypnotize
They say the things nobody dares to say
And I'm not about to let you fly away

My lover with no jet lag
We're staying up all night in my sleeping bag
You got a heart beatin' rhythm from the subterranean
I really love you little girl
I don't need to explain

I love you 'cause your deuces are wild, girl
Like a double shot of love is so fine
I been lovin' you since you was a child, girl
'Cause you and me is two of a kind

Ah, like deja vu I feel like I've been here
Or somewhere else but you've been always near
It's you that's in my dreams I'm begging for
But I woke up when someone slammed the door

So hard I fell outta bed
Screamin' mama's little baby loves shortnin' bread
And the moral of the story I can testify
I get stoned on you girl
That's the best reason why
