She's Drunk All the Time

Tim Timebomb

My girl likes to drink whiskey
My girl likes to drink wine
My girl likes to drink beer and scotch, bourbon and moonshine
Yes, I love my baby, but she's drunk all the time

When the night is early, she's drinking out of her glass
As the night progresses, she's drinking out of her flask
My friend says I'm crazy, they says that this won't last

My girl likes to drink whiskey
My girl likes to drink wine
My girl likes to drink beer and scotch, bourbon and moonshine
Yes, I love my baby, but she's drunk all the time

When she's high, she's high, when she's low, she's low
Ain't got no middle ground til she's passed out on the floor
When she wakes in the morning, all she wants is more

My girl likes to drink whiskey
My girl likes to drink wine
My girl likes to drink beer and scotch, bourbon and moonshine
Yes, I love my baby, but she's drunk all the time
