

# Light On a Hill

## Jenny Phillips

You are just one  
Light in the darkness  
Traveling by faith  
But just one light  
Is hope to the ones  
Whove lost there way

You are a light on a hill  
Cannot be hidden  
Cannot be still  
Sharing his light  
Till the whole world is filled  
You are a light on a hill

In a world thats lost and lonely  
Heaven works through you  
Bringing hope  
Too those who are searching  
For the truth

You are a light on a hill  
Cannot be hidden  
Cannot be still  
Sharing his light  
Till the whole world is filled  
You are a light on a hill

Father rejoices on high  
For the beauty  
That fills up your life  
In all that you do  
You have been true  
And others can  
See him through you

We are a light on a hill  
Cannot be hidden  
Cannot be still  
Sharing his light  
Till the whole world is filled

We are a light on a hill

We are a light on a hill  
Cannot be hidden  
Cannot be still  
Sharing his light  
Till the whole world is filled  
We are a light on a hill

Cannot be hidden  
Cannot be still  
Sharing his light  
Till the whole world is filled  
We are a light (a light)  
We are a light on a hill

Sharing his light  
Till the whole world is filled  
We are a light (a light) (a light)  
You are a light on a hill
