

Sunny Day

Allure

Wake up in the morning
Feel the sun shine on my face
It's a perfect day to get up
And hang with my friends Hit 'em on the two way and I tell 'em
I'll be their before five
Feeling's right, the mood is right
And I can't wait to have fun in the warm Sunny day, it's a lovely day
Gonna chase those gray skies all away
We do whatever we want, do whatever we do
Don't you wanna do it too? Sunny day, it's a lovely day
Gonna chase those gray skies all away
We play whatever we want, do whatever we do
It's all about feeling good Driving in my drop
Wind blowing through my hair
Seekers wanna stop and stay Talking 'bout, Ooh, baby
Can I give you all my time?
Talking 'bout, Ooh, baby
Can I give you all my time? Sunny day, it's a lovely day
Gonna chase those gray skies all away
We do whatever we want, do whatever we do
Don't you wanna do it too? Sunny day, it's a lovely day
Gonna chase those gray skies all away
We play whatever we want, do whatever we do
It's all about feeling good Sunny day, lovely day
Wish I had more of these days
Sunny day, lovely day
Wish I had more of these days Sunny day, it's a lovely day
Gonna chase those gray skies all away
We do whatever we want, do whatever we do
Don't you wanna do it too? Sunny day, it's a lovely day
Gonna chase those gray skies all away
We play whatever we want, do whatever we do
It's all about feeling good Sunny day, it's a lovely day
Gonna chase those gray skies all away
We do whatever we want, do whatever we do
Don't you wanna do it too? Sunny day, it's a lovely day
Gonna chase those gray skies all away
We do whatever we want, do whatever we do
It's all about feeling good Sunny day, it's a lovely day

Gonna chase those gray skies all away
We do whatever we want, do whatever we do
Don't you wanna do it too? Sunny day, it's a lovely day
Gonna chase those gray skies all away
