

Ordinary

Train

Whose eyes am I behind?
I don't recognize anything that I see
Whose skin is this design?
I don't want this to be the way that you see me I don't understand anything anymore
In this web that I'm tied up
Is taking me right up these walls
That I climb up to get to your story
It's anything but ordinary And when the world is on its knees with me it's fine
And when I come to the rescue I get nothing but left behind
Everybody seems to be getting what they need, where's mine?
'Cause you're what I need so very but I'm anything but ordinary Can you save me from this world of mine?
Before I get myself arrested with this expectation
You are the one, look what you've done what have you done?
This is not some kind of joke, you're just a kid
You weren't ready for what you did, no And when the world is on its knees with me it's fine
And when I come to the rescue I do it for you time after time
Everybody seems to be getting what they need where's mine?
'Cause you're what I need so very but I'm anything but ordinary I think I'm trying to save the world for you
You've been saving me too
We could just stay in and save each other I'm anything but ordinary
I'm anything but ordinary
