

Fearless Heart

[Nancy Hanson](#)

Donâ€™t you worry bout what youâ€™ve been told
â€˜Cause honey I ainâ€™t even close to cold
Itâ€™s kind of soon to fall in love again
Sometimes the best that you can do is just to jump back in

Cause Iâ€™ve got me a fearless heart
Strong enough to get you through the scary part
And itâ€™s been broken many times before
A fearless heart just comes back for more

Folks will tell you that Iâ€™m just no good
I wouldnâ€™t hurt you honey if I could
Well I canâ€™t promise things will work out right
But it would kill me darling if we didnâ€™t even try

And Iâ€™ve got me a fearless heart
Strong enough to get you through the scary part
And itâ€™s been broken many times before
A fearless heart just comes back for more

I admit I fall in love a lot
I nearly always give it my best shot
You must think that Iâ€™m the reckless kind
But I want a lover with a fearless heart just like mine.

Cause Iâ€™ve got me a fearless heart
Strong enough to get you through the scary part
And itâ€™s been broken many times before
A fearless heart just comes back for more

Iâ€™ve got me a fearless heart
Strong enough to get you through the scary part
And itâ€™s been broken many times before
A fearless heart just comes back for more
