Come unto me All ye that labour
And I will give you rest
For my yoke is easy
And my burden is light
Come unto me All ye that labour
And I will give you rest
For my yoke is easy
And my burden is light
When the load is heavy
And the path is thorny
When you don't have hope
You just call my name
For my yoke is easy
And my burden is Light
Oh Come unto me All ye that labour
And I will give you rest
For my yoke is easy
And my burden is light
When the load is heavy
And the path is thorny
When you don't have hope
You just call my name
For my yoke is easy
And my burden is Li... ght
Just as you are my brother
Just come to the Lord and He will surely give you rest
That's why he says:
When the load is heavy
And the path is thorny
When you don't have hope
You just call my name
Everybody now ha... *
Come to Jesus oh my friend come to Jesus
