

# Part of Your World

## Skye Sweetnam

Look at this stuff, isn't it neat?  
Wouldn't you think my collection's complete?  
Wouldn't you think I'm the girl  
The girl who has ev'rything? Look at this trove, treasures untold  
How many wonders can one cavern hold?  
Lookin' around here you'd think  
Sure, she's got everything I've got gadgets and gizmos aplenty  
I've got whozits and whatzits galore  
You want thingamabobs?  
I got twenty but who cares?  
No big deal, I want more I wanna be where the people are  
I wanna see, wanna see 'em dancin'  
Walkin' around on those  
Whad'ya call 'em? Oh, feet Flippin' your fins you don't get too far  
Legs are required for jumpin', dancin'  
Strollin' along down a  
What's that word again? Street Up where they walk, up where they run  
Up where they stay all day in the sun  
Wanderin' free, wish I could be  
Part of your world What would I give, if I could live  
Outta these waters? What would I pay  
To spend a day warm on the sand?  
Betcha on land, they understand Bet they don't reprimand their daughters  
Bright young women, sick o' swimmin'  
Ready to stand And I'm ready to know what the people know  
Ask 'em my questions and get some answers  
What's a fire and why does it  
What's the word? Burn When's it my turn? Wouldn't I love  
Love to explore the shore up above?  
Out of the sea, wish I could be Part of that world, part of that world  
Part of that world, part of your world  
Part of your world I wanna be where the people are  
I wanna see, wanna see 'em dancin'  
Walkin' around on those  
Whad'ya call 'em? Oh, feet Flippin' your fins you don't get too far  
Legs are required for jumpin', dancin'  
Strollin' along down a  
What's that word again? Street Up where they walk, up where they run  
Up where they stay all day in the sun

Wanderin' free, wish I could be  
Part of your world
