

This Is It

Michael Jackson

Ready?

1,2,3,4

This is it, Here I stand

I'm the light of the world

I'll feel grand

Got this love, I can feel

And I know, Yes for sure

It is real And it feels as though I've seen your face a thousand times

And you said you really know me too yourself

And I know that you have got addicted with your eyes

But you say you're gonna leave it for yourself

Oh

I never heard a single word about you

Falling in love wasn't my plan

I never thought that I would be your lover

Come on baby just understand This is it

I can say

I'm the light of your world

run away

we can feel

This is real

Every time I'm in love that I feel And I feel as though I've known you since a thousand years

And you tell me that you've seen my face before

And you said to me that you don't want me hanging around

many times wanna do it here before

Oh yeah

I never heard a single word about you

Falling in love wasn't my plan

I never thought that I would be your lover

Come on baby just understand This is it

I can feel

I'm the light of the world

This is real

feel my song

we can say

And I tell you can feel that way And I feel as though I've known you for a thousand years

And you said you saw my face yourself

And you said want to go with you on a while

And I know that it's really for myself

Oh yeah
I never heard a single word about you
Falling in love wasn't my plan
I never thought that I would be your lover
Come on please dear understand I never heard a single word about you
Falling in love wasn't my plan
I never thought that I would be your lover
Come on dear please understand
Oh yeah I never heard a single word about you
Falling in love wasn't my plan
This is it
