

# Still Believe

## Lunatica

Look into my eyes, you will find  
And ocean of love and of light  
Deep inside, inside my eyes Because one heart can never beat alone  
And at the end you will share a dream  
And it will be mine too Still believe, ever believe  
You are strong enough within yourself  
Because life is an endless dream  
And at the end we will be heroes Once in history you will find  
A soul equal to yours, to share a lifetime with  
To count the stars Fortune is a rare thing, grab it  
And make your day  
Because you'll never get a second chance Still believe, ever believe  
You are strong enough within yourself  
Because life is an endless dream  
And at the end we will be heroes
