

Way Over Yonder

The Gaylettes

Way over yonder is a place that I know
Where I can find shelter from the hunger and cold
And the sweet tasting good life is easily found
Way over yonder, that's where I'm bound, that's where I'm bound I know when I get there, the first thing I'll see
Is the sun shinin' golden, shinin' right down on me
Then trouble's gonna lose me, worry, leave me behind
And I'll stand up proudly in true peace of mind Talkin' about, talkin' about
Way over yonder is the place I have seen
In the garden of wisdom from some long ago dream And maybe tomorrow, I'll find my way
To the land where the honey runs in rivers each day
And the sweet tasting good life is so easily found, yes it is Way over yonder, that's where I'm
That's where I'm bound, talkin' about, talkin' about
Way over yonder, that's where I'm bound
