

# Demons (Feat. Matt Wilson)

## Avenged Sevenfold

I've been thinking lots about my life and  
How quick I'd wash it down the drain  
The past tense, the future, nothing matters now  
I act on my own, and I'm to blame  
Living's a wicked dream when things turn out all wrong  
We're all so weak, no matter how strong, yeah  
I tried running away from me, convince me that I've grown  
But I can't change so unnaturally, demons, they follow me  
I quit running away from me, convinced that I had grown  
But found out all my reasons for insanity, all a part of me  
I don't like that you're calling me a liar  
I don't like that you found out I'm a snake  
Been sneaking around for far too long now  
I don't like how fast my intentions fade  
Karma has beat me down, the worst is yet to come  
Many mistakes, and still I'm so young, yeah  
I tried running away from me, convince me that I've grown  
But I can't change so unnaturally, demons, they follow me  
I quit running away from me, convinced that I had grown  
But found out all my reasons for insanity, all a part of me  
I can't count how many times awakened in fear  
Nightly, palms sweating  
Dreams of promises I've made to no one but myself  
I've been crushed daily  
Don't lend me your hand, I can't trust myself  
So how can you trust me?  
We've all made selfish, bad decisions  
We've all tried dishing out the blame  
Convinced ourselves of our own actions  
My problem is, I'll never change  
In doubt, some good comes out, I'll fold before it's time  
Can't promise you that it's my last time, yeah  
I tried running away from me, convince me that I've grown  
But I can't change so unnaturally, demons, they follow me  
I quit running away from me, convinced that I had grown  
But found out all my reasons for insanity, all a part of me  
Truth won't help you now, all the love's gone too far,  
oh, oh  
Truth won't help you now, all the love's gone too far, oh, oh  
I'm scarred, yeah, yeah  
Demons, they follow me, cause my insanity  
I'm scarred, yeah  
Demons, they follow me, cause my insanity  
I'm scarred, yeah, yeah  
Demons, they follow me, cause my insanity  
I'm scarred, yeah  
Demons, they follow me, cause my insanity  
Demons, they follow me, cause my insanity  
Demons, they follow me, cause my insanity
