

Tear It Up (on Our Worst Behavior)

Immature

[Background]

Tear it up, you never gon' tear it up [8x]

[Romeo]

Yeah, this is Romeo

And Immature's 'bout to drop that new jack funk on ya'

You livin' large, duece

This psychological trio

Always on our worst behavior

Yo' what up Hal-Pint

Yo' Batman, kick it

[Batman]

People look out

We're comin' at you

Immature's gonna turn it out (Turn it out)

Doin' what we won't do

Takin' no shorts

And breakin' all the rules

Don't be frontin' on us

'Cause we ain't havin' it

We're just havin' fun

Disrupting all of

'Cause a kid that rocks the cradle

Is a kid to rules the world

[Chorus]

Tear it up, you never gon' tear it up

Tear it up, you never gon' tear it up

Tear it up, you never gon' tear it up

Tear it up, you never gon' tear it up

Tear it up, you never gon' tear it up

Tear it up, you never gon' tear it up

Tear it up, you never gon' tear it up

Tear it up, you never gon' tear it up

[Romeo]

Yo' Batman drop the second verse

[Batman]

People always peepin' our sound
'Cause we're nine years old
And wiser than our years
We always do, what people don't expect
But after Marq, we don't regret

Don't be frontin' on us
'Cause we ain't havin' it
We're just havin' fun
Distrupting all of
'Cause a kid that rocks the cradle
Is a kid to rules the world

Tear it up, you never gon' tear it up [8x]

[Romeo]

This is Romeo
And we still rockin' that funky Immature stuff
In the house we got Jerm
