# Give It Up

## HTRK

Hey boys, give it up
This way, when you talk
You talk more than your mouthfulHey boys, give it up
This way, when you talk
You talk more than your mouthfulGive the power up
This way, cause
You're talking more than your mouthful
This time,
I'm gonna love you much better
I'm gonna love you much better
I'm gonna love you much better
I'm gonna love you much better
I'm gonna love you much betterYou're driving me off the highway
You're driving me off the highway
You're driving me off the highway
You knock my precious metal sideways
On my drive to perfectionThis time,
I'm gonna love you much better
I'm gonna love you much better
