

Dolo

Chief Keef

[Intro]

Dolo

I'm rolling dolo

I'm rolling, I'm rolling[Hook]

I'm rolling dolo, I'm rolling dolo

She call my phone, I done (?)

I'm rolling solo

Girl, I'm rolling dolo

I can't trust a soul, I'm rolling dolo

I'm rolling solo, I'm rolling solo

Baby girl, I'm rolling dolo[Verse]

I'm rolling dolo, I'm rolling solo

My car full of smoke, and my eyes is low

I can't see the haters

Only thing I can see is paper

I'm smoking on dope, I'm fucking your hoe

She come to my house, then she go back home

I'm sitting on a throne, leave my nigga alone

I did this shit alone, me on my own

I got my chrome, it's outside this home[Hook]

I'm rolling dolo, I'm rolling dolo

She call my phone, I done (?)

I'm rolling solo

Girl, I'm rolling dolo

I can't trust a soul, I'm rolling dolo

I'm rolling solo, I'm rolling solo

Baby girl, I'm rolling dolo
