Reload (Clubbers Guide 2013 Edit)

Sebastian Ingrosso & Tommy Trash

When night has become the day
They're sending you far away
So, so far awayWhen everything starts to fade
You don't have to be afraid
No, you don't have to be afraidTake my hand and
Reload
This is free love
That's what we are made of
Yes, we are, are, areReload
This is real love
That's what we are made of
Yes, we are, are, areTake my hand and
Reload
This is free love
That's what we are made of
Yes, we are, are, areWhen you wanna get off the ground
But gravity pulls you down
Gravity pulls you downAnd when you feel out of place
You don't have to be afraid
No, you don't have to be afraidTake my hand and
Reload
This is free love
That's what we are made of
Yes, we are, are, areReload
This is real love
That's what we are made of
Yes, we are, are, areTake my hand and
Reload
This is free love
That's what we are made of
Yes, we are, are, areReload
This is real love
That's what we are made of
Yes, we are, are, are
