

Reload (Clubbers Guide 2013 Edit)

Sebastian Ingrosso & Tommy Trash

When night has become the day
They're sending you far away
So, so far away When everything starts to fade
You don't have to be afraid
No, you don't have to be afraid Take my hand and
Reload
This is free love
That's what we are made of
Yes, we are, are, are Reload
This is real love
That's what we are made of
Yes, we are, are, are Take my hand and
Reload
This is free love
That's what we are made of
Yes, we are, are, are When you wanna get off the ground
But gravity pulls you down
Gravity pulls you down And when you feel out of place
You don't have to be afraid
No, you don't have to be afraid Take my hand and
Reload
This is free love
That's what we are made of
Yes, we are, are, are Reload
This is real love
That's what we are made of
Yes, we are, are, are Take my hand and
Reload
This is free love
That's what we are made of
Yes, we are, are, are Reload
This is real love
That's what we are made of
Yes, we are, are, are
