

My Best Friend

Eisley

You're behind the door
I'm on the floor
I'm feeling so shy You're brushing out your hair
I hope you know I care
I'm feeling so high I feel so sorry
I feel so sick
I've been trying to meet you
But I wasn't in the right place And I'm carving your name in the tree where I sit and pray About all of the things
I've done
And how I wasn't there with you always
But I wasn't in the right place
I made a big mistake
You're not a mistake
How I can I explain this
But you've got my eyes
Baby I'm on your side
You're still my baby I feel so sorry
Oh I feel like hell
I've been trying to meet you
But I wasn't in the right place And I'm carving your name in the tree where I sit and pray
About all of the things I've done
And how I wasn't there with you always
But I wasn't in the right place I'm so sorry
I'm so sorry
I'm so sorry
My love, my love
And I'm carving your name in the tree where I sit and pray
About all of the things I've done
And how I wasn't there with you always
But I wasn't in the right place
(I'm so sorry
I'm so sorry
I'm so sorry
My love, my love) And when I hold you
I will uphold you
You are my best friend
And when I see you
I'll really, truly, see you
You are my best friend
