

# Grrrlfriend

## Local H

I'm in love with a riot grrrl  
I'm in love with a riot grrrl I'm a boy and I know that, that's bad  
And I don't see what's got her so mad I'm not dumb, I've got my eyes tied on  
I've seen her 'zine and I think it's right on I don't care if she makes me be quiet  
I'm in love and I think it's a riot
