

# Time

## Chantal Kreviazuk

Time  
(Time, time)  
Where did you go?  
Why did you leave me here alone?  
Wait, don't go so fast  
I'm missing the moments as they pass  
Now I've looked in the mirror  
And the world's getting clearer  
So wait for me  
This time I'm down  
Down on my knees  
I'm begging for all your sympathy  
But you  
(I'm just an illusion)  
You don't seem to care  
(I wish that I could)  
You humble people everywhere  
(I don't mean to hurt you) Now I've looked in the mirror  
And the world's getting clearer  
I'll take what you give me  
Please know that I'm learning  
So wait for me  
This time I should've known better  
And I shouldn't have wasted those days  
And afternoons and mornings  
I threw them all away  
Now  
This is my time  
And I'm gonna make this moment mine  
(I shouldn't have wasted those days) I'll take what you give me  
Please know that I'm learning  
I've looked in the mirror  
My world's getting clearer  
So wait for me  
This time  
This time  
This time
